THE WILLIAMSPORT AREA COMMUNITY COLLEGE

1005 West Third Street, Williamsport, Pennsylvania 17701. 717-326-3761

This year I have had the opportunity to participate in a small part of your experience at The Williamsport Area Community College. It has been rewarding for me to share in your enthusiasm and energy.

During this past year you have acquired new knowledge and experiences. This yearbook records your activities and your accomplishments as you reached out to broaden your skills, your friendships, and your knowledge.

As graduates you now seek to achieve new goals in new surroundings. Your experiences at the College have given you skills to improve and enrich your personal lives, your professional lives and your communities. As you face new challenges and opportunities I urge you to continue to expand your knowledge, to acquire new skills and seek out new experiences.

I add my personal congratulations to those of the Board of Trustees, the faculty and staff of The Williamsport Area Community College and wish you continued success in realizing your personal and professional goals.

Sincerely,

Robert L. Breuder
